Notes:

This is a First Draft only. Some changes will be necessary.

Discussion Topics is where most of the business is done. This could be considered the "Business Section". While some sessions are planned, there is also expectation to add shorter sessions to fill the gaps.

We ask that you bring issues, not proposals. This allows the body to find a solution, rather than debate a premade one. We also understand that some proposals are unavoidable, please be prepared to discuss the issues, and allow the Proposal to evolve.

Roll Call after the first day will be done by passing around an attendance sheet
